

THE GHAN THE LEGENDARY JOURNEY THROUGH THE HEART OF AUSTRALIA.

THIS TRANSCONTINENTAL ADVENTURE OFFERS AN UNSURPASSED VIEW OF AUSTRALIA - NORTH TO SOUTH OVER THREE UNFORGETTABLE DAYS.

Travel by rail between Adelaide, Alice Springs and Darwin and you are embarking on one of the great train journeys of the world. Named after the Afghan Cameleers who once plied this route, The Ghan will take you from one edge of this continent to the other, through the very centre of Australia over three remarkable days.

A journey on The Ghan is an incomparable way to travel to the two jewels of Australia's Northern Territory – the Red Centre and tropical Top End. And no journey aboard The Ghan is complete without taking in both of these must-see destinations.

The Ghan's new timetable makes the most of the daylight hours to offer unsurpassed views of the passing landscape. From the sweeping Adelaide Plains unfolding before your eyes to the majestic Flinders Ranges, this first leg of the journey offers a perspective on South Australia you simply can't afford to miss.

Each new day begins with a fresh perspective of this changing landscape. Red earth and cobalt skies – the essence of central Australia takes on a character of its own with every passing hour.

Leave the train to tour places close to Australia's heart with Whistle Stop Tours or break your journey to visit Australia's iconic Uluru just a few hours away from Alice Springs.

Entering the Top End, the landscape mellows with subtropical fauna staking its claim over the passing scenery. Stepping off in the northern town of Katherine offers you the opportunity to experience the inspiring wonders of Nitmiluk (Katherine Gorge) before your rail journey concludes in tropical Darwin, the relaxed capital city of Australia's Northern Territory.

Of course the journey is just as memorable departing from Darwin.
