# MELBOURNE, CAIRNS AND SYDNEY

Get to know three of Australia's east coast cities as you travel from Melbourne in the south to Cairns in the north before ending in the spectacular harbor city of Sydney. Choose your own activities to make your vacation exactly your style.

Melbourne is home to many hidden laneways and secret alleys that house intimate bars and eclectic venues - be sure to explore these unique areas, you never know what you will find.

Cairns is your next stop, gateway to the World Heritage-listed Great Barrier Reef and Daintree Rainforest. You could dive into your own adventure; tour the Reef in a semi-submersible, don flippers and a mask and jump right in, or soak up the sun and the views aboard a sailing boat. Maybe explore the Daintree Rainforest by foot, vehicle or zipline - each offering a different perspective of the oldest living rainforest on earth.

Continue to the harbor city of Sydney, filled with opportunities to discover the best vantage point for that iconic photo to take home and frame. Perhaps tour under the sails of the spectacular Sydney Opera House, scale the heights of the iconic Sydney Harbour Bridge and take in the surrounding views, or maybe grab a surfboard and take a lesson at one of Australia's most famous beaches.

Whatever your style, there's nothing like Australia.
